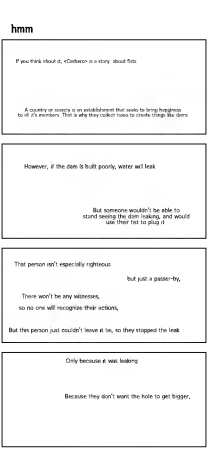
chapter 1 - epilogue

team bofar

the sin of being late

THIS SEASON THAT STARTED IN MARCH, ENDED LAST SUNDAY WITH 20 CHAPTERS
HELLO, I AM "LAWFALL" FROM TEAM BOFAR, AND AM IN CHARGE OF THE STORY FOR <CASHERO>
TN: The author was blessed a "partial" whole nations he is a one ed one
"SINCE THE STORY WAS LATE AGAIN, AS A PUNISHMENT YOU HAVE TO DRAW THE EPILOGUE BY YOURSELF"
ISN'T IT SO CRUEL?
THEY SHOULDN'T BE LIKE THIS, TREATING ME AS IF I WERE LESS THAN HUMAN

hmm



If you think about it, <Cashero> is a story about fists
A country or society is an establishment that seeks to bring happiness to all it's members. That is why they collect taxes to create things like dams
However, if the dam is built poorly, water will leak
But someone wouldn't be able to stand seeing the dam leaking, and would use their fist to plug it
That person isn't especially righteous
but just a passer-by,
There won't be any witnesses,
so no one will recognize their actions,
But this person just couldn't leave it be, so they stopped the leak
Only because it was leaking
Because they don't want the hole to get bigger.

yes, you

Social workers who are not receiving proper pay and are overworked,

firefighters who purchase equipment with their own money,

They think "There isn't any choice but to do it myself"
Or sigh, "I'll just do it myself" at their own loss

and try to fill up the holes in the whole system by themselves,

With all your action is large, or small,
I believe everyone has gone through one,

There was no one around to know about it

and there will be no compensation or praise,

A place that no one cares about

without anyone knowing

even taking a risk

Maybe sometimes complaining

But that action made the world a little bit better,

I DON'T THINK THAT I WROTE THE STORY OF RUO AND THE RULINGS, RAINSHOOKINS, AND RAINBAWN

I FEEL LIKE I WROTE THE STORY OF ALL PEOPLE WHO ARE LIKE THAT

the truth is

I WANTED TO DISS CALVIN MORE IN A LIGHTHEARTED WAY

BUT I HAVE TALKED TOO MUCH ALREADY

I'M HALF JOKING

OF COURSE THAT MEANS THAT ONLY HALF IS A JOKE

I ALWAYS FEEL GRATEFUL TO PRODUCER HAN

AND FOR THE ORIGIN OF THE TITLE

MANY PEOPLE HAVE TOLD ME IT IS BECAUSE cash + hero

cashero

cash

ero

Please look forward to the second season

...full of cash and ero

Thank you.
